

PAUL MICHAEL

PROFILE

Motivated and detail-oriented Software Engineering student passionate about problem-solving and applying technical skills to real-world projects. I am seeking an attachment opportunity to enhance my knowledge in software development, collaborate with industry professionals, and contribute to meaningful projects.

SKILLS & ABILITIES

- Proficient in **HTML, CSS, Tailwind CSS, and JavaScript**
- Web development with **React.js** and **Node.js**.
- Version control with **Git and GitHub**
- Strong analytical and problem-solving abilities
- Excellent communication and teamwork skills

EXPERIENCE

While I haven't worked professionally, I have gained hands-on experience through coursework, personal projects, and collaborative assignments. Key areas of expertise include:

- Developing frontend web applications using **HTML, CSS, Tailwind CSS, JavaScript, and React**.
- Designing websites in **Figma**.
- Working with **Node.js, PHP, and MYSQL** for backend development.
- Collaborating on team projects using **Git and GitHub**.

EDUCATION

KIRINYAGA UNIVERSITY - KIRINYAGA COUNTY - BACHELOR OF SCIENCE

Completed comprehensive coursework in software engineering, focusing on:

- Introduction to web development – HTML, CSS, JavaScript, React.js
- Advanced Database Programming – SQL, MySQL
- Software Development Life Cycle (SDLC) – agile methodologies, version control with git

COMMUNICATION

Confident and articulate in conversational engagements in:

- English
- Kiswahili

Collaborative teamwork has strengthened my communication skills, to effective problem definition and requirements delivery with clarity and precision.

HOBBIES

- Singing
- Web design
- Travelling
